		05)/4
6.	At 7:15 p.m. on 24 February, a wrain of 10 boxcars and 5 flat-	25X1
	cars carrying 20 x 76.2-m field guns guarded by soldiers with	
	red-bordered black epaulets stood at the Naumburg railroad	
	station, faced in the direction of Apolda.	
		25 X
7.	On 25 Rohmows the Penson Kaneura in Sanonhouse use only lightly	
/ u	On 25 February, the Panzer Kaserne in Spremberg was only lightly occupied. Motor vehicle was identified in the	OEV
	billeting area. The following observations were made on the auto-	25 X
	bahn Cottbus-Ferlin: 10 JS-3 tanks	25X
	and motor vehicle stoom at the autobahn exit of Haehnchen,	25X
	headed toward Cottbus. There was traffic of columns from Vetschau	2071
	in the direction of Ferlin. The vehicles	
	with field kitchen and they drove with their lights out. Sentries	
	with signal lamps directed the traffic at the approach to Vetschau,	25X1
	where the autobahn branches of to fresden, and at the exit to Daben.	
	A convoy of 75 trucks, some with lights out, carrying troops with	
	fuel field pack moved along the autobahn between Freiwalde and Duben	
	in a southeasterly direction at about 12 p.m. They included vehicles A small convoy which included vehicle	25X
	was seen on the Cottles-Vetschau road, with the lights out.	20/
	and boost off and cooperate to apparent Torne and michigan on ac	
10	Comment. On 17 January, sunit of the 64th Gds Hv Tank SP Regt	25X
	of the Eth Cds Mecz Div was entrained. The shipment was identified	
	when it passed through Dresden the same day. The	25 X
	unit is assumed to have been transferred to Koenigsbrueck for combat	
	firing practice and to have nosably returned to the post on 28 Janu-	25X
	ary.	237
2.	Comments Units of the Can Gds Mecz Div from Wurzen made	25X
~ <i>0</i>	practice marches near the military post on 10 and 11 February.	20/
	Units of the division from Griman and, allegedly, also from Wurzen,	
	occupied a samp south of the town in Klosterholz Forest after	0.51
	15 February. On 15 February, components of the 65th Mort Brig	25 X
	of the 6th Arty Div from Tatheriou were shipped to Grimma on two trains.	,
	On 17 and 18 February, the 64th Gds Hv Tank SP Pegt from Leisnig,	
	to which belong the armored scoup cars and motorcycles in the Busche	
	Kaserne, as well as the 358th Gds AAA Regt and the unidentified RL	
	hattalion from Leisnig also moved out. It is believed that the	
	field exercise, at least, extended as far as the area of Wermsdorf	
	Forest, possibly, however, as far as Riesa, from where elements of the division returned to their quarters on 21 February also by rail.	
	It is believed that, except for the troops from Leisnig, also units	
	from Grima were involved in the exercise, as tank	25X
	observed with the tank shipment in Riesa was identified in Grimma	207
	in January 1953. The units of the 65th Fort Brig , too, were	25X
	leaded in Riesa on 20 or 21 February and shipped to Fathenow. The	
	exact data on weapons confirm 500 358th Gds AAA Fegt and the unidenti-	
	fied rocket launcher battalion of the Eth Gds Mecz Div in Leisnig	
	until 17 February 1953.	
2	Command Ohn and small and another the	25X
3.	Corment. The column traffic was made exclusively by the Eighth Gds Army.	201
	magarar area with a	
40	Comment. The two shipments of the 13th AMA Div were observed	25X1
	when they were loaded in Weimer.	25X
	units of the division were shipped to the	
	field exercises of the XXIX Gda Atz Hifle Corps in Gera on three	
	trains on 13 February.	25X
